2. Meanwhile, steep the tea bags in boiling water for 5 minutes; discard the bags. Cool the tea to room temperature.
3. Combine the frozen honeydew, tea, yogurt and honey (if using) in a blender and purée until very smooth. Serve immediately. Makes 3 cups (750 mL).

Tetley Tips:

- Make this smoothie anytime you like by freezing extra melon in advance and portioning into separate, re-sealable freezer bags.
